

Inventions

Personal Research

Look around the home for 5 things that make your life easier or fun.

Use Google to find information about each invention.

Draw a picture and write some facts about the invention. Explain how it has changed people's lives. Try to find out what people did or used before this invention.

e.g.

X-Box

An electronic game machine that you can connect to your TV to play lots of games.

Before the x-Box children would play board games with their friends and family. These games were cheap to buy and lasted many years.

Maths

Practise your skills using Mathletics. Spend around 20 minutes each night on Mathletics to brush up your basic facts knowledge

Reading Log

Keep up your daily reading log - write down how many pages you read each evening.

From the teachers:

- This Wednesday we would like children to start using the field to practise Cross Country. **All children** will need a change of clothes as it is very muddy. Children can choose to wear shoes or run in bare feet. Please send the clothes on Tuesday – we are looking to practise on Wednesday depending on the weather. We will choose another day if it is raining so it would be good to have the clothes at school for the week.
- Daffodil Day** is on Friday, 25 August. Children are able to bring a gold coin donation to support this national event to help raise money for the Cancer Society.
- Tuesday** - Team photos

This week we are learning how to become bucket fillers. A bucket filler is a person who compliments others, is kind and ready to learn.

Whenever a student compliments someone, they identify what positive action they observed and put the written slip into the person's bucket. Then they also happily fill their own bucket with a stick to show that they were a bucket filler.

BUCKET FILLER

I'd like to fill _____'s
bucket for...
